After the presentation the court retired to the sidelines to watch the game, a strong defensive battle in which the Jackets lost to Silliman on a safety.

From the gloom of the game the activities shifted to the beautifully decorated gym for the coronation of the Queen and the Homecoming dance. For this ceremony the court was escorted by senior members of the football team as they were presented on the center of the gym floor.

The crowning of the Queen by Coach Currier, followed by the traditional dance for the members of the court, concluded the presentation.

Football season found the Jackettes performing at the half-time of all games, plus performances at several pep-rallies. They were also involved in the local dance team competition held at Hammnd Square, and put on a performance at the Amite Nursing Home.
